August Secrets

There is no truer baby love than providing nutritious food

genious recipes made with baby love

Veggie Beans Pancakes

This is about my best way to cook the Augustsecrets Veggie Beans! You can mash in plantains, cooked potatoes for this recipe and also make them in a waffle maker. This method makes about 4 pancakes.

METHOD

1. Dissolve 2 tablespoons of Augustsecrets Veggie Beans in water.
2. Mash plantains or cooked potatoes in it if you want.
3. Add salt, Augustsecrets Ground Fish, sliced onions, or onion powder, garlic and mix together.
4. Whisk in 1 large egg and mix together to form a slightly thick batter.
5. Place a pan on heat with drops of coconut oil or groundnut oil.
6. Pour in the batter gradually and brown on both sides.
7. Serve warm.
